Parent Newsletter for the week of November 21st

MARK YOUR CALENDAR:

December 7	Minimum Day Dismissal
	Board of Trustees Mt., 4:00 p.m., Study Area
December 9	Dinner With a Scientist for 5 th – 8 th
	6-8 Progress Reports

With the first real winter storm of the season behind us I'd like to remind you about how we'll communicate any schedule or bus route changes. If we have to call a late start or cancel school due to weather, we'll post it on our Facebook page listed above, announce it on the local radio stations (KKBN 93.7, Star 102.7 and KVML AM 1430 & FM 102.3). It will also be posted on www.mymotherlode.com, and we'll make an automated phone call.

On snowy days, our transportation director will drive out and survey the roads to determine if they are safe for the school buses to travel on. If the determination is made that they roads are not safe, we may call for a delay to get the plows an opportunity to open the roads. Also, we may call a snow transportation day. That means that our buses will not be able to travel down into Sierra Village or Mi-Wuk Village, Sierra Park or portions of Lakewood Estates or up into Leisure Pines. The bus routes, including snow transportation schedules can be found on our school website at:

<http://www.twainharteschool.com/school-information/transportation/bus-routes/>

I'd like to remind everyone to please make sure you keep the office update with emails and phone numbers. Our automated phone system is only useful if we have current numbers in our system.

For those students who raised \$200 or more in our Fun Runs back in October, the Limos are coming! We have scheduled the limousine lunches to Applebee's for December 12th, 13th and 14th. Permission slips and more information will be forthcoming. Also hats and t-shirts for students are getting ordered this week, and we should have those in before Christmas break

Go Braves!

Dan Mayers, Principal
