

**2017-2018  
Twain Harte School  
Cafeteria Meal Prices**

**Here's another good way to interact with your child/children. When the menu comes out each month, sit down with them and decide on the days they would like to eat a cafeteria meal.**

**Here is an overview of cafeteria prices for the school year. Keep this handout in an area such as your monthly bill drawer or on your refrigerator to remind you of your cafeteria account. It is encouraged to prepay for all meals. We do not permit students to charge meals on credit. It is up to parents to keep the account current!**
