Parent Newsletter for the week of January 30<sup>th</sup>

#### MARK YOUR CALENDAR:

**February 1 Minimum day dismissal 1:35 p.m.**

**February 1 Parent LCAP meeting 6:00-8:00 p.m., Cafeteria**

It looks like Mother Nature has decided to ease off a bit on the storms. These past couple of weeks have been challenging with all the snow and ice, and we appreciate everyone's patience as we have had to change our schedules to keep up with the weather and road conditions. Hopefully with some drier and warmer weather in the forecast we'll be able to stay on regular schedules for a while now so we can remember what it is like!

One additional note on the weather is our last day of school for our students will now be Friday, June 9<sup>th</sup>. On our calendar we have to build in a snow make-up day, and since we have had to cancel school, we will have to extend it that one day. Even though we have had two snow days, we only need to add one day as our calendar is based on the average of snow days we've had to have over the past several years.

Coming up on Wednesday, February 1<sup>st</sup> will be the first of two meetings to gather parent input on our Local Control Accountability Plan (LCAP). The LCAP is our plan for the upcoming years, and we'd like to hear from everyone about how we have been doing, and what areas do you think we should focus on for the future. The meeting will be from 6:00-8:00 in the cafeteria, and we'd love to see everyone there! We will have another meeting on Thursday February 16<sup>th</sup> from 4:00-6:00 if you cannot make this Wednesday.

Also coming up on Thursday the 16<sup>th</sup>, we will host our first Family Literacy Night. This will be a fun, free evening when families can come and write your own books together! We will have a baked potato bar for dinner, and every student will leave with their own book that they created with their families. We will host the Family Literacy Night from 6:00-8:00 in the cafeteria. More information will follow!

Finally, a couple of weeks ago we hosted an informational meeting for our 6<sup>th</sup> graders for our upcoming science camp trip. We will host another meeting this Thursday, February 2<sup>nd</sup> for any families that were not able to make it to that first meeting. We will meet in Mr. Brown's class (room 14) at 6:00. We want all of our students to be able to attend science camp, and want to get this information to all of our 6<sup>th</sup> grade families. If you have any questions, please contact me.

Go Braves!
