Every year the Tuolumne County School Board hosts their "Excellence in Teaching" award where each school gets to nominate an excellent teacher. They also have a Career Achievement Award where schools have an opportunity to put forth a teacher for this competitive award who has had a major impact over the span of their career. This year Twain Harte School is proud to select Kimberlie Ballard as the Excellence in Teaching recipient and nominate Becky Berry for the Career Achievement Award. Mrs. Berry has written, "I was honored to have been selected as the recipient of the Career Achievement Award for Twain Harte School. It will be my pleasure to attend the March 8<sup>th</sup> board meeting. I feel fortunate to have been able to teach at Twain Harte School for over 30 years and consider it a privilege to have taught such amazing students and worked alongside such an incredible staff."
