Attention Parents of 6th graders! State law requires that all students entering 7th grade are fully up to date on all immunizations including the Tdap booster shot. Please make sure that the school office has your child's updated records. Failure to have these immunizations will result in your child being excluded from the 7th grade until they are caught up. For more information, please visit www.shotsforschool.org. Don't delay, please get your child immunized today!
