One of our assessments is the OLSAT8 test. This test will be administered in October of the school year. If you would like your student to be included in the testing, please submit your request by completing the form below. The form must be submitted to the school office by the last day of September.

PLEASE NOTE: Our GATE testing is available to 3-8<sup>th</sup> grade students only. If your student will be in grades 4 through 8 (for the current school year) they may be referred for GATE testing on this form; however, students may not test more than two times within a three year period.

If your student will be in third grade (for the current school year), there is no need to submit this form. All third graders will be invited to test unless opted out by parents/guardians. GATE testing will take place during October.
