Thank you for your interest in our G.A.T.E. program. To participate in our program your student will need to meet the requirements outlined in our G.A.T.E. packet; available on the web page and in the office. One of our assessments is the OLSAT8 test. This test will be administered in November of the school year. If you would like your student to be included in the testing, please submit your request by completing the form below. The form must be submitted to the school office by the last day of October.

PLEASE NOTE: Our G.A.T.E. testing is available to 4-8th grade students only. If your student will be in grades 4 through 8 (for the current school year) they may be referred for G.A.T.E. testing on this form; however, students may not test more than two times within a three-year period.

All third grade students will be tested for G.A.T.E. in April, unless opted out by their parents/guardians. Third grade students that qualify for G.A.T.E. will start in the program the in fourth grade.
