Dear Twain Harte School Families,

Winter seems to have officially arrived and I want to remind our families of the school's procedures for dealing with adverse weather conditions.

We always like to give our families as much notice as possible about any changes to the transportation or school start schedule. Sometimes conditions may allow us to send out notifications the night before but on most occasions alerts will be sent out in the mornings.

Families will be notified of the following changes:

1. **Snow Transportation Schedule** - school buses will only stop at certain bus stops. Check the [school website](#) for more information on the snow transportation schedule.
2. **2-hour delay** - school will start at 10:15am.
  - a. Students are not allowed on campus until 9:45 when school staff are able to have the campus safely prepared for student arrival.
  - b. School bus stops will be 2 hours later than scheduled.
3. **School Cancellation** - school will be canceled for the day. In most cases these days will have to be made up before the end of the school year. The district has 3 snow make up days designated on the school calendar: April 10, June 12, and June 13.

Families will be alerted through our Schoolwise alert system via text, email, and phone by 6:30am of any schedule changes. If conditions worsen after a delay notification a second alert will be sent out at 8:15. **If you are not receiving alerts from the school please call the school office to make sure we have your current contact information entered in the system.**

In addition, local radio stations 93.5FM, 92.7FM, and 1450AM will all be notified and will provide periodic updates throughout the morning on weather conditions and school closures. Local news website [mymotherlode.com](http://mymotherlode.com) will also have updates available.

Our top priority is the safety of our staff and students. Please contact the school office if you have any questions.
