10.5.3 A written document entitled School Closure Days Administrative Guidelines has been provided. It reflects guidelines only and not contract language, policy or procedure. [Modified on 01/09/14]

10.5.4 Where a late start has been called by the District, those employees who are required to report to work and who are late because of inclement weather or an emergency situation that may exist, shall not suffer a loss of compensation, shall not have their personal or vacation time be utilized to cover this loss of work time, nor shall they be required to work beyond their regular assigned shift to make up this lost time. If required by the District to stay beyond their regular assigned shift employees shall be compensated at the regular or overtime rate of pay, which ever is appropriate.

ARTICLE XI

VACATION

11.1 Eligibility

All employees shall earn vacation time with full pay under this Article. Vacation benefits are earned on a fiscal year basis, July 1 – June 30.

11.2 Paid Vacation

Except as otherwise provided in this Article, paid vacation shall be granted no later than the fiscal year immediately following the fiscal year in which it is earned. Where desired by the employee, the paid vacation shall be granted in the fiscal year in which it is earned. Employees working less than twelve months shall be compensated annually for earned vacation and shall not accrue vacation time.

11.3 Accumulation

Vacation time shall be earned and accumulated on a monthly basis in accordance with the schedule listed below:

<u>Years of District Service</u>	<u>Workdays of Vacation</u>
One – Five	Ten (10) Days
Six – Ten	Fifteen (15) Days
Eleven or more	Twenty (20) Days

A workday of vacation shall be equal to one regular workday of an employee, regardless of hours worked per day.

11.4 Vacation Carry-Over

If for any reason an employee is not able to take all or any part of his/her annual vacation, the amount not taken shall be accumulated for use not later than the end of the fiscal year or be paid for in cash. Upon mutual agreement with the District, employees may carry over no more than five (5) vacation days.

11.5 Vacation Pay Upon Termination

When employment with the District is terminated for any reason, the employee shall be entitled to all vacation pay earned and accumulated up to and including the last day of paid status.

11.6 Vacation Postponement

If an employee's vacation becomes due during a period when he/she is on leave due to illness or injury, he/she may request that his/her vacation date be changed, and the District shall grant such request in accordance with vacation dates available at that time. The employee may elect to have his/her vacation rescheduled in accordance with the vacation schedule available at that time, or may request to carry over his/her vacation to the following year, or he/she may elect to receive compensation for all vacation earned and accumulated during the fiscal year.

11.7 Interruption of Vacation

An employee shall be permitted to interrupt or terminate vacation leave in order to begin another type of paid leave provided the employee supplies notice and supporting information regarding the basis for such interruption or termination to the District.

ARTICLE XII

LEAVES

12.1 Sick Leave

12.1.1 An employee shall be granted twelve (12) days of leave of absence for illness, quarantine, or injury, exclusive of all days he/she is not required to render service to the District, with full pay for a fiscal year of service. An employee who is employed for less than a full fiscal year of service is entitled to that proportion of twelve (12) days of leave of absence for illness, quarantine, or injury, as the number of months he/she is employed bears to twelve (12). (Example: 12 month employee gets 12 days; 10 month employee gets 10 days, etc.) An employee who is employed for less than eight (8) hours per day shall receive a proportionate sick leave credit.

12.1.2 At the beginning of each fiscal year, the full amount of sick leave granted under this Section shall be credited to each employee. Credit for sick leave need not be accrued prior to taking such leave and such leave may be taken at any time during the year. Employees who terminate their employment with the District and have used more sick leave than they have accrued at the time of termination shall have those extra unearned days deducted from their final pay check.

12.1.3 If an employee does not take the full amount of leave allowed in any year under this Section, the amount not taken shall be accumulated from year to year without limitation.

12.1.4 The employee may convert unused sick leave to retirement credit in accordance with Government Code Section 20862.5 or its successor, if the employee is filing a request for retirement.

12.2 Entitlement to Other Sick Leave

Each employee shall once a year be credited with a total of one hundred (100) days of sick leave inclusive of the sick leave provided under Section 12.1 of this Article, carried over from previous fiscal years. Each day of sick leave provided by this Section shall be compensated at the rate of fifty percent (50%) of the employee's regular salary. The paid sick leave provided for in this Section shall be in addition to any other paid leave provided for in this Article and shall be used after the exhaustion of the leaves provided in Sections 12.1 and 12.4.

12.3 Industrial Accident and Illness Leave

- 12.3.1 An employee suffering an injury or illness arising out of and in the course and scope of his/her employment shall be entitled to a leave of up to sixty (60) working days in any one fiscal year for the same accident or illness. This leave shall not be accumulated from year to year, and when any leave will overlap a fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred.
- 12.3.2 Payment for wages lost on any day shall not, when added to an award granted the employee under the Worker's Compensation laws of this State, exceed the normal wage for that day.
- 12.3.3 The industrial accident or illness leave is to be used in lieu of normal sick leave benefits. When entitlement to industrial accident or illness leave under this Section has been exhausted, entitlement to other sick leave, vacation or other paid leave may then be used. If however, an employee is still receiving temporary disability payments under the Worker's Compensation laws of this State at the time of exhaustion of benefits under this Section, he/she shall be entitled to use only so much of his/her vacation leave, which, when added to the Worker's Compensation award provides for a day's pay at the regular rate of pay.
- 12.3.4 Any time an employee on industrial accident or illness leave is able to return to work, he/she shall be reinstated in his/her position without loss of pay or benefits.
- 12.3.5 When all available leaves of absence, paid or unpaid, have been exhausted and if the employee is not medically able to assume the duties of the employee's position, the employee shall, if not placed in another position be placed on a reemployment list for a period of thirty-nine (39) months. When available during the thirty-nine (39) month period, the employee shall be employed in a vacant position in the classification of the employee's previous assignment over all other available candidates. However, when there is a reemployment list established because of a lack of work or a lack of funds, then the employee shall be listed in accordance with appropriate seniority.

12.4 Personal Necessity Leave

Up to five (5) days a year of sick leave may be used for reasons of a personal nature as determined by the employee. However, personal necessity leave shall not be used on days immediately preceding or immediately following a school holiday (e.g. Thanksgiving break, Winter Recess, Spring break, etc.). Advance notice shall be given to the employee's immediate supervisor as far in advance as possible, if practical, either by telephone or electronically. [Modified on 02/21/2018]

12.4.1. Absences for personal necessity can be taken in increments of one half (0.5) day.

12.5 Bereavement Leave

Employees shall be granted a leave with full pay in the event of the death of any member of the employee's immediate family. The leave shall be granted for up to three (3) working days, with an additional two unpaid days upon request, or five (5) working days if distance to be traveled is three hundred (300) miles or more one way. The employee may use other available leave balances including accrued and available paid sick leave. The bereavement leave shall be completed within three months of the date of death of the family member. The days of bereavement leave need not be consecutive. The immediate family is defined as husband, wife, mother, father, sister, brother, daughter, son, foster child, mother-in-law, father-in-law, grandmother, grandfather, daughter-in-law, son-in-law, grandchild, aunt, uncle, niece, nephew, cousin, stepparent, stepchild, sister-in-law, brother-in-law, or any relative of either spouse living in the immediate household of the employee. [Modified 02/08/2023]

An employee shall be entitled to leave without loss of pay for any time the employee is required to perform jury duty. The District shall pay the employee his/her regular salary, subject to the forfeiture of jury duty allowance, excluding meals, mileage, and/or parking allowances. Any day during which any employee in the bargaining unit whose regular assigned shift commences at 1:00 p.m. or after and who is required to serve all or any part of the day on jury duty shall be relieved from work with pay.

12.11 General Provisions Governing Leaves

12.11.2 The time during which an employee is on unpaid leave shall be counted for seniority purposes.

12.12 Parental Leave

Effective January 1, 2017, an eligible employee (employed for at least 12 months) is entitled to 12 workweeks for parental leave pursuant to California Family Rights Act.

If the eligible employee continues to be absent from his or her duties on account of parental leave, the District shall compensate the employee at fifty (50%) of the employee's regular salary for any of the remaining portion of the 12-workweek period in which the absence occurs. Such differential pay shall not take effect until all sick leaves are exhausted. Parental leave shall not exceed 12 workweeks within any 12-month period and the remaining terms of the leave shall be consistent with the California Family Rights Act regulations.

12.13 Catastrophic Leave

When a catastrophic illness or injury incapacitates such an employee or member of his/her family for an extended period of time, the employee may request donations of accrued vacation or sick leave credits under this program.

12.13.1 Catastrophic illness or injury means an illness or injury that is expected to incapacitate the employee for an extended period of time, or that incapacitates a member of the employee's immediate family, defined as the employee's spouse, registered domestic partner, or child/stepchild, whose incapacity requires the employee to take time off work for an extended period of time to care for that family member, and taking extended time off work creates a financial hardship for the employee because he/she has exhausted all of his/her sick leave and other paid time off. (Education Code 44043.5)

12.13.2 Upon requesting donations under this program, the employee shall provide verification of his/her own catastrophic illness or injury or his/her family member's catastrophic illness or injury. (Education Code 44043.5)

12.13.2.1 Verification shall be made by means of a letter, dated and signed by the sick or injured employee's physician, indicating that an incapacitating illness or injury does exist and probable duration of the illness or injury. If the employee is requesting catastrophic leave because of the catastrophic illness or injury of a family member, the family member's physician must indicate that the employee is needed to care for that family member and the probable duration of the illness or injury.

12.13.3 The employee shall indicate the expected number of catastrophic leave days he/she will need up to a maximum of 90 school days per qualified event.

12.13.4 If the employee is incapacitated, requests for catastrophic leave with the accompanying documentation from section 12.13.2.1 may be submitted by the

16.3 Order of Layoff

Any layoff shall be administered within a classification. The order of layoff shall be based on seniority within that classification and higher classifications throughout the District, in which the employee has served. An employee with the least seniority shall be laid off first. Seniority shall be based on date of hire in the classification, plus higher classifications.

16.4 Bumping Rights

An employee laid off from his/her present classification may bump into the next equal or lower classification in which the employee has greater seniority, as defined in Section 16.3 of this Article. The employee may continue to bump into such equal or lower classifications in which he/she has attained permanent status in order to avoid layoff.

16.5 Layoff in Lieu of Bumping

An employee who elects a layoff in lieu of bumping maintains his/her reemployment rights under this Agreement.

16.6 Equal Seniority

The District shall notify the Board of Administration of the CalPERS of the fact that retirement was due to layoff. If he/she is subsequently subject to reemployment and accepts, in writing, the appropriate vacant position, the District shall maintain the vacancy, but may fill in on a temporary basis until the Board of Administration of CalPERS has properly processed his/her request for reinstatement from retirement.

16.11 Seniority Roster

16.12.1 An employee shall send notification to the District of his/her intent to accept or refuse reemployment within five (5) working days from the date of the reemployment notice. An employee given an offer of reemployment need not accept the reemployment to maintain the employee's eligibility on the reemployment list, provided the employee sends notification to the District of refusal of reemployment within five (5) working days from the employee's actual receipt of the reemployment notice. If the employee accepts reemployment, he/she must be willing to report to work within five (5) working days or as otherwise agreed with the District following notification to the District of his/her acceptance. If the employee accepts reemployment but fails to report to work following notification, except in cases of illness or emergencies, the employee will be removed from the reemployment list.

16.13 Reemployment in Highest Classification

Employees shall be reemployed in the highest rated job classification available in accordance with their classification seniority. Any employee who accepts a position lower than his/her highest former classification, or in an equal but different classification, shall retain his/her original thirty-nine (39) months rights to the higher paid position, or the original five (5) year and three (3) months reemployment rights if eligible.

16.14 Employment Opportunities

The parties agree to meet and negotiate the effects of all layoffs.

ARTICLE XVII

DISCIPLINARY ACTION

17.1 Exclusive Procedure

Discipline shall be imposed upon employees only pursuant to this Article and AR 4218. If there is a conflict in the two documents, the terms of Article XVII shall control.

17.2 Disciplinary Procedure – General Outline

17.2.1 Discipline shall be imposed upon employees only for just cause. Disciplinary action is deemed to be any action in which the Administration recommends the dismissal, demotion, suspension without pay, or a reduction in hours or classification or reassignment without the employee's voluntary consent, except for a layoff for lack of work or lack of funds. This procedure does not apply to verbal or written warnings, instructions, or to letters of reprimand.

17.2.2 No permanent classified employee shall be subject to disciplinary action until he/she has received a Notice of Disciplinary Action, and (2) until he/she has had an opportunity to respond to the charges to the Skelly Officer at the Skelly Hearing. Disciplinary action shall not be taken for any cause that arose before the employee's becoming permanent, nor for any cause that arose more than two years preceding the date of the filing of the notice of cause unless the cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee should have disclosed the facts to the employing school district. [Modified 02/08/2023]

17.2.3 A Notice of Disciplinary Action shall contain a statement in ordinary and concise language of: (1) the specific charges against the employee which shall include times, dates, and locations of chargeable actions and/or omissions; (2) the penalty proposed; and, (3) a statement of the employee's rights to a hearing to dispute the charges and/or the proposed penalty. The Notice of Disciplinary Action shall be either personally served on the employee or served by certified mail, return-receipt requested, and first-class mail. A copy of any Notice of Disciplinary Action shall be delivered to CSEA within twenty-four (24) business hours after service on the employee. If it is claimed that an employee has violated a rule or regulation of the District, such rule or regulation shall be set forth in said notice, and must be supported by

specific charges. A proceeding may be brought by, or on behalf of, the employee to restrain any further proceedings under any Notice of Disciplinary Action, which violates Education Code 45116 or its successor.

17.2.3.1 Except as specified in paragraph (17.2.3.2), a permanent employee who timely requests a hearing on charges against the employee shall not be suspended without pay, suspended with a reduction in pay, demoted with a reduction in pay, or dismissed before a decision is rendered after the hearing, unless the governing board, or an impartial third-party hearing officer provided pursuant to the terms of an agreement with an employee organization under Chapter 10.7 (commencing with Section 3540) of Division 4 of Title 1 of the Government Code, finds that at the time discipline was imposed at the conclusion of the review process specified in *Skelly v. State Personnel Bd.* (1975) 15 Cal.3d 194, the employer demonstrated by preponderance of the evidence that the employee engaged in criminal misconduct, misconduct that presents a risk of harm to pupils, staff, or property, or committed habitual violations of the district's policies or regulations. [Modified 02/08/2023]

17.2.3.2 If a hearing on the charges will be conducted by an impartial third-party hearing officer or the governing board pursuant to subdivision (e), the school district may stop paying a permanent employee before a decision is rendered after 30 calendar days from the date the hearing is requested. A governing board of a school district shall delegate its authority to a judge, as defined in Section 44990, to determine whether sufficient cause exists for disciplinary action against a classified employee involving allegations of egregious misconduct, as defined in Section 44932, and involving a minor, as defined in Section 44990. The judge's ruling shall be binding upon all parties. A judge authorized under this subdivision to conduct a hearing involving allegations as described in Section 44010 or 44011, or as described in Sections 11165.2 to 11165.6, inclusive, of the Penal Code, shall conduct that hearing in accordance with Article 3.3 (commencing with Section 44990) of Chapter 4 and Section 49077. The term "representative of the respondent," within the meaning of Article 3.3 (commencing with Section 44990) of Chapter 4, shall include, but not necessarily be limited to, an exclusive labor representative. [Modified 02/08/2023]

17.2.4 If the Administration determines that there is a clear and present danger to the health, safety, and well-being of fellow employees and students or the public being served, the Administration may suspend an employee without pay after receiving the response of the Skelly Officer from the

Skelly Hearing. If the employee is found innocent of the accusations against him or her, he or she shall have his or her pay restored retroactively to the first day of a suspension without pay pursuant to this Section.

17.3 Disciplinary Procedure – Progressive Discipline

The District shall not initiate any disciplinary action for any cause alleged to have arisen prior to the employee's becoming permanent nor for any cause alleged to have arisen more than two (2) years preceding the filing of the Notice of Disciplinary Action by the District unless such cause was concealed or not disclosed by such employee when it could be reasonably assumed that the employee should have disclosed the facts to the District.

The District and CSEA agree that unit members will be provided an opportunity to improve using the concept of Progressive Discipline. Prior to receiving a Notice of Disciplinary Action, Unit members will first receive a verbal warning, which will include an explanation of how they can improve their performance. This communication will be memorialized and placed in a desk file, which will not be placed in the employee's personnel file. If the conduct is not improved, the unit member may then receive a written warning. Unit members who receive a written warning will be provided a written plan for improvement. Plans for improvement will last no longer than 60 days.

District can skip progressive discipline if action falls under 17.2.4

District can skip progressive discipline if action falls under 17.2.4 [Modified 03/12/2021]

The employee shall be notified by written notice when disciplinary action is to be imposed. Such notice shall describe the specific cause or causes as outlined in Section 17.2.3 of this Article.

17.3.1 The district shall endeavor to impose discipline on a progressive basis. Isolated misconduct or performance problems will result in the employee receiving, first, a verbal warning, which will include an explanation of how they can improve their performance. This communication will be memorialized and placed in a desk file, which will not be placed in the employee's personnel file. [Modified 03/12/2021]

17.3.2 If the conduct is not improved, the unit member may then receive a written warning. Unit members who receive a written warning will be provided a written plan for improvement. Plans for improvement will last no longer than 60 days. The employee may submit a response or rebuttal to the written reprimand or warning which will be retained in the record along with the reprimand. [Modified 03/12/2021]

- 17.3.3 Notwithstanding the provisions of this article, the Superintendent may, without prior counseling and/or written warning, initiate severe disciplinary action (i.e., suspension, demotion, termination) when the employee's misconduct is of such a serious nature as to necessitate the imposition of suspension, demotion or termination, without the benefit of prior written counseling or warning. [Modified 03/12/2021]
- 17.3.4 Whenever possible the District will endeavor to assist the employee in correcting deficient performance or incidents of misconduct. However, it shall be the employee's ultimate responsibility to respond to notice of deficiencies or misconduct. An employee's failure or refusal to respond to, or correct incidents of misconduct or deficient performance, after oral or written notice, shall be grounds for further disciplinary action. [Modified 03/12/2021]
- 17.3.5 In addition to containing the information from Section 17.2.3, the Notice of Disciplinary Action shall include a statement of the employee's right to a Skelly Hearing. Such notice shall include the date, time, and place of the Skelly Hearing. The Skelly Hearing may not be scheduled any sooner than 10-work days from the date that the Notice of Disciplinary Action is personally served on the employee or mailed by certified mail, return-receipt requested and first-class mail. The District Superintendent shall obtain the services of a current or retired Administrator from outside of the Twain Harte School District.
- 17.3.6 The purpose of the Skelly Hearing is to allow the employee an opportunity to provide any information in his/her defense to the Skelly Officer regarding the proposed disciplinary action prior to any discipline being imposed. At the Skelly Hearing, the employee may present whatever oral or written evidence he or she wishes on his or her behalf. Since this is not an official hearing, the employee may not call witnesses.
- 17.3.7 If the employee fails to attend the Skelly Hearing, he/she gives up the right to a Skelly Hearing and disciplinary action may be imposed.
- 17.3.8 Within a period of 5-work days following the completion of the Skelly Hearing, the Skelly Officer shall render, in writing, his or her recommendation as to whether there appears to be sufficient cause to proceed with the recommended disciplinary action, whether some less severe discipline would be more appropriate, or whether no disciplinary action should be imposed. The Administration is not bound by the recommendation of the Skelly Officer.

- 17.3.9 A copy of the Skelly Officer's recommendation(s) shall be personally served on the employee or mailed to the employee via certified mail, return receipt requested and first-class mail.
- 17.3.10 Following receipt of the Skelly Officer's recommendation, the District Superintendent shall, if he or she continues with a recommendation of either dismissal or a suspension without pay, prepare a written statement to the employee which includes: (1) a statement of the Administration's recommendation, (2) a statement of the employee's right, (3) the date by which the request for a hearing shall be received by the District Office, which shall not be less than 10-work days from the personal service of this document or from the date that this document is mailed by certified mail, return receipt requested, and first-class mail; and (4) a Request for Hearing form, the signing and filing of which shall constitute a demand for a hearing and a denial of charges.
- 17.3.11 Upon receipt of a signed Request for Hearing form, the Administration shall schedule a hearing before a neutral arbitrator.
- 17.3.11.1 The District and CSEA shall attempt to agree upon an arbitrator. If the parties are unable to agree upon an arbitrator within ten (10) working days, the Administration will request a list of five arbitrators from the California State Mediation and Conciliation Service. From this list; each party shall strike the name of an arbitrator until one (1) name remains who would then serve as the arbitrator. The order of striking shall be determined by a toss of a coin.
- 17.3.11.2 The hearing before the selected arbitrator shall be scheduled not less than 10-work days from the date the notice is personally served on the employee or mailed as set forth in Section 17.3.6.
- 17.3.11.3 The hearing shall be transcribed by a certified court reporter.
- 17.3.11.4 The arbitrator who conducts the hearing shall render a written recommendation setting forth his or her findings of fact, conclusions of law, and recommended disposition of the charges. The proposed decision shall be served on the Administration, the unit member, and CSEA either personally or by first-class mail.
- 17.3.11.5 The total cost of the arbitrator and the court reporter shall be split equally by the Parties.

- 17.3.12 At the hearing before the arbitrator, the employee may appear in person and may be represented by an attorney or other representative of his or her choice.
 - 17.3.12.1 The Governing Board shall consider the recommended decision of the arbitrator at the next available Board meeting or may schedule a special meeting for such purpose. The employee may appear before the Governing Board in person or by an attorney or other representative to present argument as to why the proposed decision of the arbitrator should or should not be adopted by the Governing Board as its own.
 - 17.3.12.1.1 The Governing Board may adopt, modify, or reject the arbitrator's proposed decision. If the Governing Board rejects the arbitrator's proposed decision, the Governing Board may do so only after reviewing the transcript of the hearing in a closed session.
 - 17.3.12.1.2 The decision of the Governing Board shall be served on the employee and CSEA within 10-work days of the Governing Board's action.
- 17.3.13 The hearings before an arbitrator shall be conducted in a closed session unless the employee requests in writing, at least 72 business hours before the hearing, that the hearing be conducted in an open session.
- 17.3.14 The Governing Board's decision shall be final.
 - 17.3.14.1 Any disciplinary action shall be subject to the grievance procedure on procedural grounds only.
- 17.3.15 Time limits stated in this section may be extended by the mutual agreement of CSEA and the District.

ARTICLE XVIII

GRIEVANCE PROCEDURE

18.1 Definitions

18.1.1 A "grievance" is a claim by one or more employees of the bargaining unit, or CSEA alleging a violation, misinterpretation, or misapplication of a provision of this Agreement.

18.1.2 A "grievant" is the person, persons or CSEA claiming a violation, misinterpretation, or misapplication of a provision of this Agreement.

18.2 Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems, which may from time to time arise affecting the welfare or working conditions of the employees. The proceedings will be kept informal and confidential at any level of the procedure.

18.3 Employee Processed Grievances

An employee covered by this Agreement may present a grievance directly and have such grievance adjusted without intervention of CSEA as long as the adjustment is not inconsistent with the terms of this Agreement. CSEA shall be provided copies of any grievance filed by employees directly and any responses by the District. Prior to any resolution of any grievance, CSEA shall be provided with a copy of the proposed resolution for review. CSEA shall be given an opportunity to file a written response to the proposed resolution. Any disagreement concerning whether the settlement is inconsistent with the terms of this Agreement shall be subject to the grievance procedure.

18.4 Grievance Release Time

Any employee required by either party to participate as a witness, grievant, or a grievant representative in the handling and processing of a grievance shall be released from regular duties without loss of pay for up to five (5) hours per case, in addition to time required at the hearing or meetings with District representatives.

18.5 Separate Grievance File

All materials concerning an employee's grievance shall be kept in a file separate from the employee's personnel file which shall be available for inspection only by the employee, the CSEA representative, and those in management, supervisory and confidential employees directly involved in the grievance procedure.

18.6 Procedure

Since it is important that grievances be processed as rapidly as possible, the time table specified at each level hereinafter followed should be considered as a maximum, however, be extended by mutual agreement. Grievances shall be brought forward within thirty (30) working days after the grievant knew or reasonably should have known of the circumstances forming the basis of the grievance. Grievances shall be handled in the following manner:

- 18.6.1 Level One: A grievant having a grievance will first discuss it with the immediate supervisor; either directly or through CSEA's designated representative, with the objective of resolving the matter informally. If the grievance is not satisfactorily adjusted informally within fifteen (15) working days, the grievance may proceed to Level Two.
- 18.6.2 Level Two: If the grievant is not satisfied with the disposition of his/her grievance at Level One, he/she may file the grievance in writing to the immediate supervisor within fifteen (15) working days after the decision or lack of a decision at Level One. The written grievance statement shall describe the circumstances involved, the Section(s) of the contract relative to the complaint or violation and the remedy sought. Within ten (10) working days after receipt of the written grievance by the supervisor, he/she will meet with the aggrieved person and a representative of CSEA, in an effort to resolve it. Within ten (10) working days after this meeting the immediate supervisor shall deliver to the grievant and CSEA representative a written response to the grievance.
- 18.6.3 Level Three: If the grievant is not satisfied with the disposition of the grievance at Level Two, CSEA may submit the grievance in writing to the Superintendent within fifteen (15) working days of the receipt of the decision or lack of a decision at Level Two. Within ten (10) working days after the receipt of the written grievance by the Superintendent, he/she or his/her designee will meet with the aggrieved person and a CSEA representative in an attempt to resolve the grievance. Within ten (10) working days after this meeting the Superintendent shall deliver to the grievant and CSEA representative a written response to the grievance.
- 18.6.4 Level Four: If the grievant is not satisfied with the disposition of the grievance at Level Three, CSEA may submit the grievance in writing to the Board of Trustees within fifteen (15) working days of the receipt of

the decision or lack of a decision at Level Three. The Board shall conduct a hearing to hear arguments on the dispute from the parties to the grievance. Both parties to the grievance shall have the opportunity to provide evidence and witness testimony to support their arguments on the dispute. The Board of Trustees reserves the right to designate a representative to conduct the hearing at Level Four. The Board of Trustees or designee shall act as an impartial trier of fact at the hearing and shall render a written disposition to the grievant and CSEA representative no later than ten (10) working days following completion of the hearing.

- 18.6.5 Level Five – Arbitration: If the grievance is not satisfactorily resolved at Level Four, within twenty (20) working days of receipt of the decision, CSEA may file for arbitration with the Superintendent. The District and CSEA shall attempt to agree upon an arbitrator. If the parties are unable to agree upon an arbitrator within ten (10) working days, the California State Conciliation Service will be requested to supply a list of five (5) persons who could serve. From this list, the parties would proceed by striking one name from the list; each party to the grievance would then so continue alternately until one (1) name remains who would then serve as the arbitrator. The order of striking shall be determined by a toss of a coin.

If the parties cannot reach agreement on the issue(s), the matter shall be submitted to the arbitrator who shall determine the issue(s). However, neither party may introduce an issue not previously mentioned in earlier Levels of the grievance procedure. The arbitrator, as soon as possible after hearing the evidence, shall prepare a written report for submission to both parties stating the issues submitted, the facts determined, and the findings and recommendations derived therefore.

The report of the arbitrator shall be limited to the specific issue or issues contained in submission agreement or as framed by the arbitrator in the absence of an agreement.

- 18.6.6 The Superintendent, CSEA, and grievant shall be given copies of the decision and the arbitrator's report. The arbitrator will render an award, which shall be binding on both parties.

- 18.6.7 The arbitrator will be without power or authority to make any decision that requires the commission of an act prohibited by law or which violates the terms of this Agreement. The arbitrator cannot add to or modify the terms or conditions of this Agreement. However, it is agreed that the arbitrator is empowered to include in any award such financial reimbursement or other remedies as he/she judges to be proper.

- 18.6.8 All costs for the services of the arbitrator, including but not limited to per diem expenses, travel and subsistence expenses, and the cost of any hearing room, will be borne equally by the Board and CSEA. Costs of transcripts will be borne equally by the Board and CSEA.
- 18.6.9 All documents, communications, and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the personnel file of any of the participants.

ARTICLE XIX

SAFETY

19.1 District Compliance

The District shall conform to and comply with all health, safety, and sanitation requirements imposed by State or Federal law or regulations adopted under State or Federal law.

19.2 Employee Report

Every employee shall report unsafe working conditions to his/her immediate supervisor.

19.3 CAL-OSHA

If the Superintendent and employee cannot mutually agree upon the existence of an unsafe condition, determination shall be made by CAL-OSHA or other appropriate agency.

19.4 No Discrimination

No employee shall be in any way discriminated against as a result of reporting any condition believed to be a violation of Section 19.1.

ARTICLE XX

RANDOM DRUG AND ALCOHOL TESTING FOR BUS DRIVERS AND SUSPICION-BASED TESTING

20.1 Random Drug and Alcohol Testing for Bus Drivers

20.1.1 Unit Members who are required to possess a Class A or B commercial driver's license shall be subject to random drug/alcohol testing pursuant to the requirements of the Omnibus Transportation Employee Testing Act of 1991 as fully adopted Board Policy and Administrative Regulation 4112.41. A copy of BP and AR 4112.41 is incorporated by reference into this Article.

20.1.2 Request for Assistance by Employee

20.1.2.1 The District and the Governing Board are prohibited from dictating the activities of its employees during non-working hours unless such activities affect the employee's performance at work. If an employee arrives at work and believes he or she would test positive for alcohol and/or drugs, the employee must immediately report such information to his/her supervisor. The employee will be immediately subjected to a test. If the employee tests positive for alcohol or drugs, the District shall place the employee on a 60-day unpaid leave of absence.

20.1.2.2 During this 60-work day period, the employee shall:

20.1.2.2.1 Seek a qualified substance abuse professional chosen by the bus driver, who shall determine what assistance, if any, is needed to resolve alcohol problems.

20.1.2.2.1.1 A substance abuse professional is a licensed physician (medical doctor or doctor of osteopathy), or licensed or certified psychologist, social worker, employee assistant professional, or addiction counselor (certified by a national association of

alcoholism and drug abuse counselors) with knowledge of and clinical experience in the diagnosis and treatment of alcohol and controlled substance-related disorders.

20.1.2.2.2 If the substance abuse professional determines that a rehabilitation program is needed, the driver shall participate and complete the program at the employee's own expense. The bus driver may use his or her sick leave and differential paid leave while attending the program. The employee shall follow the recommendations of the substance abuse professional. If the substance abuse professional determines that a rehabilitation program is needed, the driver may not return to work until the program is completed. The employee shall provide the District with a copy of the substance abuse professional's recommendation.

20.1.2.2.3 Even if a substance abuse professional determines an in-house rehabilitation program is not needed, the driver must still participate in a drug or alcohol training program approved by the District. The driver may use his or her sick leave and differential pay while attending the program.

20.1.2.3 Once the employee completes the appropriate program and passes a return-to-duty test with an alcohol concentration of less than .02 or a verified negative result for controlled substance use, the driver shall be reinstated, no sooner than the 61st work day, to his/her former position. Bus drivers returning to duty pursuant to this Article shall be subject to at least six (6) tests in the first twelve (12) months of return to duty.

20.1.3 Notwithstanding Section 20.1.2 above, a bus driver may be subject to immediate dismissal if:

20.1.3.1 The bus driver tests positive for drug or alcohol before or after performing any safety-sensitive function;

- 20.1.3.2 The bus driver refuses to submit to any tests authorized by the Omnibus Transportation Employee Testing Act of 1991;
- 20.1.3.3 The bus driver fails to complete the rehabilitation program recommended by the substance abuse professional or the drug or alcohol educational program approved by the District.
- 20.1.3.4 The bus driver tests positive for alcohol or controlled substances within twelve (12) months after return to duty following completion of the rehabilitation or educational program.

20.2 Suspicion-Based Testing

- 20.2.1 The Parties recognize that school districts are drug and alcohol-free zones pursuant to state and federal law.
- 20.2.2 The Parties recognize that when an employee uses a controlled substance on campus or comes onto campus under the influence of a controlled substance, that employee places his fellow employees, the students, and the community at risk.
 - 20.2.2.1 For purposes of defining a "controlled substance," the Parties will use the list found at Health & Safety Code 11053 et seq. The Parties agree that the use of or coming to school under the influence of marijuana, even if the use of marijuana is based on a physician's prescription, will constitute a violation of this Article.
- 20.2.3 The Parties desire to create contract language for those who wish to seek help from a drug or alcohol addiction. An employee who self-reports his or her addiction to a controlled substance may use his or her paid sick leave and differential leave to seek treatment.
- 20.2.4 If the District Superintendent or designee has a "reasonable suspicion" that an employee is suspected of using a controlled substance at school or coming to school under the influence of a controlled substance, the Administration shall meet with the employee and his or her union representative. The Administration need not wait for a CSEA Field Representative to appear.
- 20.2.5 Reasonable suspicion is a legal standard of proof in United States law that is less than probable cause, the legal standard for arrests and warrants, but more than mere suspicion or a hunch. The District Superintendent's or designee's determination of reasonable suspicion must be based on "specific and articulable

facts," "taken together with rational inferences from those facts," and the suspicion must be associated with the specific individual.

20.2.5.1 The most common facts which create a reasonable suspicion are an employee's appearance, behavior, speech, breath, or body order.

20.2.6 If the District Superintendent or designee conclude that there is a reasonable suspicion that an employee has used and/or is under the influence of a controlled substance at work, the District Superintendent or designee and a CSEA Representative shall transport the employee to the nearest facility that will conduct a drug or alcohol test on the employee.

20.2.6.1 The cost of the screening process shall be paid for by the District.

20.2.6.2 The results of the screening process shall be released to the Administration.

20.2.7 An employee found to have used or to be under the influence of a controlled substance at work shall be offered, for the first offense, the opportunity to seek substance abuse treatment. Unlike Section 20.3 where the employee self-reports, an employee who expresses an interest in seeking substance abuse treatment as the result of this section shall be required to sign a Last Chance Agreement. During the first year of the Last Chance Agreement, the employee shall agree to submit to random drug and alcohol testing on 4 different occasions.

20.2.7.1 The cost of any treatment program shall be paid for by the employee. However, the employee may use his or her paid sick leave and differential pay while attending a treatment program.

20.2.8 If an employee rejects the opportunity to seek substance abuse treatment or has been found to have used or been under the influence of a controlled substance on more than one occasion, the disciplinary procedures found at Article 17 shall apply.

ARTICLE XXI

SEVERABILITY

21.1 Savings Clause

If any provisions of this Agreement are held to be contrary to law by a court of competent jurisdiction such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

21.2 Replacement for Severed Provision

In the event of suspension or invalidation of any Article or Section of this Agreement, the parties agree to meet and negotiate within thirty (30) working days after such determination for the purpose of arriving at a mutually satisfactory replacement for such Article or Section.

ARTICLE XXII NEGOTIATIONS

22.1 Released Time For Negotiations

CSEA shall have the right to designate three (3) employees who shall be given reasonable released time to participate in negotiations. Those participating will not be paid for any time spent in negotiations after their regular work hours.

22.2 Ratification of Agreement

Any tentative agreement between the parties reached through the negotiations process shall not be effective unless reduced to writing and officially ratified and signed by both parties.

22.3 Commencement of Negotiations

22.3.1 Each party may re-open negotiations at any time in the event of a change in law necessitating a change in the articles of the contract. For the 2024-2025 and 2025-2026 school year, each party may, at any time during a school year, re-open negotiations on:

22.3.1.1 Article VII, Pay and Allowances

22.3.1.2 Article IX, Health & Welfare Benefits, and

22.3.1.3 Two other Articles of the Agreement. F

22.3.1.4 For the 2026-2027 school year, the parties shall meet and negotiate a new successor agreement. [Modified 05/08/2023]

22.4 Retroactive Term of Agreement

An agreement negotiated after July 1, of a fiscal year, shall be retroactive to July 1, of the same year.

22.5 Exclusive Representative for Negotiations

The District will at no time engage in negotiations with advisory councils, District committees and/or organizations other than CSEA.

ARTICLE XXIII

DURATION

23.1 Length Of Agreement

23.1.1 This successor agreement is effective July 1, 2023, and shall continue in full force through and including June 30, 2026. [Modified on 05/08/2023]
