8.2.1. **Discussing law AB 3216, looking to evaluate the policy and then ask the board to adopt the new policy. Members discussed the policy at other schools in the area, and found there is a strict policy but it's difficult to enforce. Members discussed pros and cons of adding restrictions to the current policy. There will be both staff and parent surveys soliciting input for shaping this policy, be sure to add a comments section on questions that may require expansion. Also dialogue around enforcing during school hours. Consider adding a piece about the evidence in the blue note sent home to parents. Conclusion was the policy needs to be addressed, solicit input from staff and families, and then take action on enforcing policy. Deadline is 7/1/26. Goal to have the survey out in Spring '25.**
