Every Local Education Agency in California (LEA) is required to annually update the Local Control Accountability Plan (LCAP). The LCAP is a three-year plan that describes the goals, actions, services, and expenditures to support positive student outcomes that address state and local priorities. Pursuant to Education Code 52062, the LCAP must be brought before the local governing board during a public hearing along with the annual budget, allowing the public the opportunity to review and provide feedback on each. The LCAP and budget may be adopted at a meeting after, but not on the same day, as the public hearing.

Pursuant to Education Code 52062, the annual budget and Local Control Accountability Plan must be brought before the local governing board during a public hearing, allowing the public the opportunity to review and provide feedback on each. Pursuant to Education Code 42127, the reasons for assigned and unassigned ending balances above the minimum recommended reserves must be identified along with the budget.
