The importance of being in school every school day applies to students at all grade levels. Children in the primary grades (kindergarten through third) should set a pattern of regular attendance early in their school careers. The habit will carry over through high school and beyond.

EXCUSED ABSENCES (C.A.C. Title 5, Sec. 420)

Absences listed below are excused when verified in accordance with the Education Code:

- A. Illness.
- B. Quarantine directed by county or city health officers.
- C. Medical, dental, or optometrical services rendered:
 - 1. Students are encouraged to make medical appointments after school hours. If this is not possible, then students must return to school immediately after an appointment.
 - 2. If a student must miss school for a medical appointment, the name of the doctor and/or clinic must be listed on the verifying note.
- D. Attending funeral services of a member of the pupil's immediate family as defined in E.C. 45194, so long as such absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside of California.

Students shall be permitted to make up missed school assignments.

(K-3) Responsibility for requesting missed work lies with the student/parent. The teacher will determine the length of time the student has to make up work.

(4-8) Students shall be allowed two school-days for each day of absence to make up the work. The time for make-up may be extended by the teacher. Responsibility for requesting missed work lies with the student.

If your child has to be out of school for more than one day because of illness you may request work for him/her. Please call the school office as soon as possible, and the teacher will have the work ready for you in the office before the end of school the following day.

TRUANCY/UNEXCUSED (E.C. 48260-48263, 48900 k, 49164)

Students may not be absent from school without approval of the school. Absences will be considered unexcused and may affect extracurricular eligibility if not cleared within seven (7) school days after the student returns from the absence. The following represents the procedures which will be followed when a student is absent from school without a valid excuse or is tardy without the school's approval in excess of 30 minutes.

First Incident--The student and parents will be informed of the mandatory attendance laws and the District's pertinent policy and procedures. The student will be instructed to attend all classes.

Second Incident--The student and parents will be informed of the mandatory attendance laws and the District's pertinent policy and procedures. The student will be instructed to attend all classes.

Third Incident --The student and parents will be informed of the mandatory attendance laws and the District's pertinent policy and procedures. The student will be instructed to attend all classes.

(K-8) The student is a legal truant (absent from school without a valid excuse for three (3) days or tardy in excess of 30 minutes on each of three (3) or more days). (E.C. 48260)(E.C. 48260.5) The school may recommend that the parent/guardian attend school one day with the student.

Fourth Incident--Student will be referred to a school administrator/designee. The student is now a legal habitual truant and shall be within the jurisdiction of the juvenile court which may adjudge the pupil to be a ward of the court. (E.C. 48262) (WIC 601) The school administrator shall call and hold a parent conference. Parents and students are again informed that failure to follow the school's directive to attend classes will be "defiance of authority" and will be grounds for referral to the School Attendance Review Board.

Fifth Incident--Student will be referred to a school administrator. The parents and student will be informed that the next incidence of refusal to attend classes upon the direction of school authorities may result in a recommendation of the student to an alternative education program and possible referral of parent and student to the School Attendance Review Board.

Sixth Incident--A letter shall be sent certified or by using "proof of service" method to the parents/guardians informing them that their student has had additional incidents of truancy since being declared a legal habitual truant (E.C. 48262) and has been in "persistent defiance of authority." Parents and students will be referred to the School Attendance Review Board (SARB).

EXCESSIVE ABSENTEEISM

Once a pupil accumulates 15 absences (excused or unexcused) during one school year:

1. A school administrator may place the student on Attendance Supervision which imposes a requirement that additional absences must be verified by a licensed medical practitioner. (C.A.C. Title 5 sec. 421 b)
2. A student may not be placed on Attendance Supervision unless the parent/guardian has been notified previously in conference or by letter of the District's excessive absence policy after that student has been absent 10 days or more.
3. Once a student has been placed on Attendance Supervision, a school administrator/certificated designee shall call and hold a parent conference. Parents/guardians will again be informed of the District's excessive absence policy. If the parent/guardian cannot be contacted, the administrator/ designee will hold a conference with the student and a certified letter shall be sent informing the parent/guardian that the student is placed on Attendance Supervision and the pertinent provisions of the excessive absence policy.

Note: Written notification will be sent to the parents of a student who is absent from school for a total of three (3) days, 10 days, and 15 days without valid excuse. These notifications will be mailed for absences that are either unexcused or unverified.

TARDIES

One of the responsibilities of each student is to be in the classroom in his/her seat or work station when the bell rings or when class is to begin. Being tardy is irresponsible behavior because it is disruptive to the learning process.

(K-5) Fourth and successive tardies (Parent contact)

Administrator will assign the student a consequence. Parents may be referred to the Child Welfare and Attendance office or the School Attendance Review Board for excessive tardies or absences incurred by their child.

(6-8) Fourth and subsequent tardies will result in an administrative referral with the following consequences.

The administrator will assign the student a consequence which may include detention or community service.

Students may be deemed ineligible to participate in extracurricular activities. Parents may be referred to the Child Welfare and Attendance office or the School Attendance Review Board for excessive tardies or absences incurred by their child.

SARB has the authority to recommend that parents and students take certain measures to correct inappropriate behavior, refer the pupil to community agencies for assistance, or suggest adjustments to the school assignment. 1. Upon conviction, by a fine of not more than one hundred dollars (\$100).
2. Upon a second conviction, by a fine of not more than two hundred fifty dollars (\$250).
3. Upon a third or subsequent conviction, by a fine of not more than five hundred dollars (\$500).
4. In lieu of imposing the fines prescribed in numbers (1) and (2), the court may order such persons to be placed in a parent education and counseling program.

ACADEMIC DISHONESTY

We hold our students to high standards regarding their academic and moral character. Academic dishonesty consists of any attempt to use another's work as your own, including, but not limited to; plagiarism, bribery, fabrication, or cheating. Students caught doing any of these actions will receive no credit for the assignment and their parents will be notified.

CLASSROOM DISCIPLINARY ACTIONS

For disciplinary reasons, a teacher may:

- Issue a TIME-OUT in the classroom, in another classroom, or the office.
- Require a parent conference.
- Refer the student to the school administrator.
- Detain a student, for a portion of recess and/or the lunch period (with provisions for lunch).
- Suspend a student from his/her class for the day of the infraction and the next day.
 - Students suspended from a classroom will be required to have a parent conference prior to rejoining the class. Parents also may be required to sit with their student in the classroom on the day of their return.

PLAYGROUND RULES

Facilities and equipment are to be used safely and for the purpose for which they were designed. A supervisor must be present before students may play on the grounds or equipment. Accidents and injuries should be reported to the nearest yard duty or supervising teacher.

POLICY ON STUDENT DRESS AND GROOMING

Dress Code rules and regulations are established to maintain an atmosphere conducive to learning. One of our goals is to prepare students to become productive citizens in our society; this training includes how to dress properly for various situations including school. This dress code applies to the school day and other events such as dances, graduation and field trips.

- No portion of a student's chest, belly or bottom may show, no bare backs or undergarments may show.
- All shirts, tops and dresses must cover the chest and torso. Shoulder straps and tank tops must be two finger width wide at the shoulders and must cover the torso area under the arms.
- Undergarments must be covered by clothing at all times. Sagging pants, short shirts, etc. are a violation of the dress code policy.
- Shorts, skirts, dresses, and holes in frayed or torn jeans must extend to the tips of the student's fingertips when their hands are held to their sides with hands extended.
- No bandanas worn or displayed at school.
- Clothing may not advertise alcohol, drugs, tobacco or any other offensive material.
- Any style of clothing or accessory is unacceptable if it: Interferes with or distracts others from the learning process, constitutes a threat to the safety of a student or others, affects how others react to the student, or is offensive to students or staff.
- Be prepared for P.E. - Appropriate shoes must be worn for P.E.
- Sandals must have a strap across the back. No "flip flops."
- Students (both male and female) may wear hats to school. However, hats worn inside buildings will be at the discretion of each teacher. All hats/caps must be worn as intended with the bill in the front. Students who fail to abide by these rules will have their hats confiscated and returned at the end of the day. Repeated offenses may result in requiring the parent to pick up the hat. The school will not be responsible for lost or damaged hats.

Some field trips may determine a modification in the dress code. Dress code guidelines will be given out at that time.

Dress Code violations: Students in violation of the dress code will be sent to the office. An attempt will be made to contact the guardians for a change of garments. If the guardians cannot be reached or are unable to bring a change of clothes, the student may be asked to select clothing to wear kept on hand in the office. In case of questionable dress not specifically covered by the guidelines, the site administrator will determine the appropriateness and make the final decision.

EXTRA-CURRICULAR ACTIVITIES

ELIGIBILITY

While involvement in extracurricular activities is valuable, it is important that students focus on academic and behavioral progress. In order for students to be eligible to participate in extracurricular activities (assemblies, athletics, reward trips, dances, etc.) they must meet certain criteria.

Eligibility Criteria

1. Students must maintain an overall academic grade point average(GPA) of 2.0 or above with no grade of "F" in any class AND have no more than two "N" citizenship marks and zero "U" citizenship marks.
 - a. Eligibility will be determined every 3 weeks. If a student fails to meet the eligibility standards at these intervals, the parents will be notified via mail that the student is ineligible for extracurricular activities for 3 weeks, until the next progress reporting period.
2. Ineligible students may still participate in an athletic team practice at the coach's discretion, but will not receive a uniform, or participate in any activity or event (games, performances, riding the bus to the event, etc.) during the ineligible period.
3. Students participating in extracurricular activities are expected to follow school rules and be respectful to other students and staff members. Consequences for repeated and/or severe behavior issues may include a student being deemed ineligible for school activities including dances, athletic teams, and field trips.
4. Students must attend school for all periods on the **day of the activity** and the **school day before** in order to participate in the extracurricular activity. A portion of the day may be missed for medical appointments or other absences, if approved in advance by the principal or designee.

****In addition, students may be signed off from extra-curricular activities by staff members for missing assignments, behavior, etc.**

ATHLETICS

Code of Ethics

Participation in athletics, as in any co-curricular activity, is a privilege, not a right. Any student athlete who wishes to be a member of an athletic team must meet all requirements academically and must follow school rules and regulations. Acts of disrespect or defiance towards a staff member, coach, assistant coach, volunteer, or a member of any team may result in temporary or permanent suspension from the athletic team. Failure to obey rules, a continued lack of effort in the classroom, negative attitude, or conduct detrimental to the welfare of the team, insubordination, etc. are grounds for dismissal. **Drinking, smoking, or drug use are causes for immediate dismissal from the athletic program and are grounds for further disciplinary action.** The coach or supervisor may also exercise his/her judgment in recommending to the Athletic Director that participation in a sport would be dangerous for an individual.

General Guidelines:

- Open to 6th -8th grade students
- Students must be eligible to participate (see above).
- Each student is responsible for maintaining his or her assigned uniform. Students will be required to replace any damaged or lost uniforms. Uniforms are to be cleaned and returned to the coach or Athletic Director within one week after the end of each season.
- Playing time may be reduced for students who miss practice/games without prior approval from the coach.

TRANSPORTATION TO AND FROM SCHOOL

STUDENT DROP OFF

To ensure the safety of your child, students are not to be dropped off on campus prior to 7:45am. Students should be dropped off at either the Manzanita Dr. parking lot in the lower building or the Twain Harte Drive parking lot in the upper building. Parents are required to remain in their vehicles during pick up and drop off times. After dropping students off, vehicles must exit the parking lot down the service ramp to Cedar Dr.

DISMISSAL

BUS LOADING

All students will be escorted and supervised by staff members while walking to the bus loading areas at the end of the school day.

PARENT PICK UP

Lower Building (Drive Through Pickup)

Our Kindergarten through 3rd grade students will be walked out to the Manzanita Dr. parking lot for pick up. Students will be allowed to load when their vehicle arrives at the front of one of the two pickup lanes. Please drive safely in our parking areas to ensure the safety of all students and staff. Parents are to remain in their vehicle during pick up times.

Upper Building (Parking Lot Pick Up)

Fourth through 8th grade students will walk to the Twain Harte Drive parking lot to meet their parents. Cars in the upper building parking lot must be parked in a designated parking spot for students to safely load or unload. Parents must remain in their vehicles during pick up. Cars must exit the parking lot down the service ramp to Cedar Dr.

For families with students in both buildings

Lower building students may be picked up in the upper building parking lot but the older sibling must meet the younger sibling at the big toy area after school to walk them up to the parking lot. Upper building students may be picked up in the lower building pick up area, if necessary.

WALKING/RIDING TO AND FROM SCHOOL

Students are encouraged to observe safety rules when walking to and from school. Students may ride bicycles, but once the student is on campus, he/she must walk the bike to the nearest bike rack. Bike racks are located in the northwest corner of the lower playground and outside the district office in the upper building. Students are encouraged to lock their bikes to discourage theft. The school is not responsible for stolen or damaged bikes.

BUSES

The school bus is considered an extension of the school campus. All rules of conduct that apply on the school campus also apply on the bus. Any action of a student that distracts the driver from the safe operation of the bus will be cause for the student to lose the privilege of riding the bus.

Please note that students may not get off the bus at any stop other than their designated stop without a written note from their parent/guardian.

BUS RULES

- Be silent at all railroad crossings and stop lights.
- Always follow the directions of the driver the first time given.
- No fighting, pushing, or horseplay while riding, waiting for, entering, or exiting the bus.
- While on the bus, remain seated keeping hands, feet and objects to one's self.
- No eating or drinking is allowed on the bus.
- No obscenities, screaming, loud voices or disrespect to another person are allowed. Any action that distracts the bus driver endangers all persons on the bus.
- No unauthorized objects, pets, glass containers, etc. are allowed. Large projects need to have special arrangements made ahead of time for transporting and should be transported by car.

CONSEQUENCES

In most cases, before writing the child's first discipline citation and calling the parent, the driver will have repeatedly spoken to the child about following the rules, and will have assigned the child to a seat near the front of the bus and/or changed their seat partner.

First Citation (Written): This may include seat assignment changes and will include notification by phone to the parents and in writing to the Principal and parents. Parents will be requested to sign and return the bus citation. Copies will be filed with the office and the transportation department.

Second Citation (Written): Call to parents and written bus citation signed by the parent and filed with the office and transportation department. A three day riding privilege suspension will be imposed.

Third Citation (Written): Call to the parents and written citation signed by the parent and filed with the office and transportation department. A five-day riding privilege suspension will be imposed. A parent conference may be held with the Principal before a reinstatement of riding privilege is permitted.

Fourth Citation: Student riding privileges may be suspended for the remainder of the school year with written notification to parents.

PLEASE NOTE:

In the event of a severe disruption or violation of the rules, the driver and the administrator may omit citation 1, 2, and 3 and go directly to citation 4, taking whatever action is necessary to insure that the bus is operated in a safe manner. This immediate action may include:

- **Stopping the bus until the disruption ends.**
- **Calling a dispatcher or law enforcement official to remove disruptive students.**
- **Returning to school to arrange for a parent to pick up the student.**
- **Returning to the school for administrative assistance to arrange for a parent to pick up the student.**
- **Suspension from school.**

The distraction of the bus driver endangers all student riders and the driver. Since safe transportation is a commitment to be shared equally by the home and school, parents are urged to continually assist the school by reviewing good bus behavior with their children. School districts are not required to provide bus transportation. Please note that riding a school bus in the Twain Harte School District is a privilege, not a right.

GRADING

COMMUNICATING WITH PARENTS

We use several methods of reporting to parents about a child's progress. All students will receive regular Twain Harte School District report cards sent home on a trimester basis. Progress Reports are sent periodically and are required for students earning failing grades. In addition, teachers maintain communication with parents between report card periods by means of informal letters and phone calls. If you have questions about your child's progress, please contact the teacher early in the year or when a concern arises.

Parent-Teacher conferences and Instructional Support Team (IST) meetings are very important. Parents can keep informed of their child's progress and the school can learn how to better work with the child. Conferences are held during the first and third trimesters. IST meetings are held at the request of the parent or teacher. Individual conferences may be scheduled at the request of the parent or school staff. Every effort should be made for parents to attend all conferences scheduled for their child.

HOMEWORK POLICY

The assignment of homework may vary according to the grade level, teacher, and individual student. The amount of homework varies from grade to grade, from course to course, and from week to week. Each teacher will explain his or her homework policy in their packets for parents during Back-to-School Night and at the first trimester conference. If you have any questions, please contact the teacher for clarification. Parents are encouraged to help students complete homework assignments by:

1. Providing a quiet place to work.
2. Showing an interest in the assignment.
3. Assisting in acquiring needed books, data, etc.
4. Assisting, as needed, without doing the homework itself.
5. Notifying the teacher if homework is creating problems or contacting the teacher when questions or concerns arise.

ACADEMIC RECOGNITION

Students in grades K-3 have a monthly VIP Assembly for student recognition. Students in grades 4-8 are also recognized during monthly Braves assemblies and through honor roll field trips or special activities.

GRADES 6TH - 8TH HONOR ROLL

The Honor Roll is a way to encourage students in the 6th-8th grades to strive to do their best academically and to honor those who have achieved a certain grade point average (GPA). The Honor Roll is based on a 4 point scale: A=4 pts, B=3 pts, C= 2 pts, D=1 pt.

Honor Roll: The Honor Roll is reserved for students who maintain between a 3.0 and 4.0 GPA during the immediate past trimester.
Eighth graders who have maintained high academic achievement throughout the year will receive special acknowledgment at the graduation ceremony.

8TH GRADE PROMOTION REQUIREMENTS

To be eligible to participate in the promotion ceremony and activities, students must have achieved the following:

- **Cumulative academic GPA of 2.0 combining 7th AND 8th grade years**
- **8th grade year is weighted 2x more than 7th grade (7th= $\frac{1}{3}$, 8th = $\frac{2}{3}$)**
- **No more than 2 F's 8th grade yr. and no more than one F per subject 8th grade yr.**

Invitations to participate in other end of year activities such as the 8th grade trip and the final dance will follow the school wide eligibility requirements.

GENERAL INFORMATION

504 PLAN

Students who have a documented medical disability that substantially limits an aspect of their life may be eligible for a 504 plan. The decision to develop a 504 plan is determined through a 504 evaluation and assessment. If it is determined that a student is eligible, then appropriate classroom accommodations will be developed for the student to more successfully participate in the classroom. Parents may contact their child's teacher if they are concerned about their child and schedule an Instructional Support Team meeting to discuss options concerning their child.

AFTER SCHOOL ACTIVITIES

Twain Harte School does not provide after school supervision for students. Parents must make arrangements for their children to ride the bus home, be picked up, or walk home at the end of the school day. Students are not allowed to stay after school without adult supervision.

ANIMALS AT SCHOOL

Animals are not allowed on campus or the school bus without prior approval from administration. Certified service animals ONLY are allowed on campus.

CHILD CUSTODY/COURT ORDERS

Please provide the office with a copy of current custody arrangements and/or court orders pertaining to students. Documents that are not on file in the school office cannot be enforced.

CLOSED CAMPUS

For the safety of all students, our school is a closed campus, no exceptions! Once students arrive on campus, whether they are dropped off by a parent, walk, bicycle, or ride the bus, they may not leave school grounds again without following proper checkout procedures through the office. A parent or guardian must sign out students.

Students leaving the school grounds without permission will be referred for disciplinary action.

Student Electronic Device Policy

A student personal electronic device is defined as a cellular phone, smart watch, tablet, headphones, earbuds or any device capable of connecting to the internet.

Students in grades TK-5:

- Personal electronic devices are not allowed to be brought to school. Students who bring a device to school will have the device placed in the office until a parent is able to retrieve it. Confiscated personal electronic devices will ONLY be released to a parent or guardian.

Students in grades 6-8:

- Personal electronic devices should not be brought to school. However, the district recognizes that students in these grades may need a device to contact family members for pickup from after school athletic events and activities.
- For students who choose to bring a personal electronic device to school:
 - Devices must be stored in a backpack immediately upon arrival to the school campus each morning.
 - Personal electronic devices MUST be turned off and placed into a lockable YONDR pouch at the start of their first period class. (For more information on YONDR pouches - <https://www.veryondr.com/phone-free-schools>)
 - Students will be assigned a numbered YONDR pouch to use each day. Students will keep their device in the locked YONDR pouch in their backpack throughout the school day.
 - At the end of the school day students will unlock their YONDR pouch at one of the unlocking stations and place the pouch into the designated storage container.
 - YONDR pouches are not to go home with students. Lost or damaged YONDR pouches will result in a \$30 replacement charge to the student.
 - Unlocking stations will be available in each 6th-8th grade classroom, the district office on the upper campus, and main school office on the lower campus.
 - Students who forget to unlock their YONDR pouch at the end of the day will have to wait to unlock it the following day as YONDR pouches can only be unlocked from an unlocking station.
 - Students who violate this policy will have their device confiscated and held in the office for a parent to pick up at the end of the day. Confiscated personal electronic devices will ONLY be released to a parent or guardian.

A student in any grade with a valid illness or disability requiring access to a personal electronic device will be issued a velcro YONDR pouch to store their device in for the school day allowing for limited access when needed.

COMPLAINT RESOLUTION

The following information outlines the process you should use to resolve any problems you or your child may have related to school personnel, your child's grades, academic concerns, curriculum, and instructional materials. If you follow this process, it should assist you in solving concerns quickly and efficiently. It is important to work through problems together for the benefit of the child.

1. Contact the teacher. Set up a time for a conference with him or her as soon as possible to discuss your concerns. Communicate your concerns in writing before you attend the conference so that all issues may be addressed. Most problems can be resolved at this level. If you have a concern regarding non-teaching staff contact the school secretary for guidance and procedures.
2. If you feel your concerns have not been addressed through a teacher conference, set up a meeting with the principal and the employee if it is a personnel issue.
3. If after a conference with the principal the matter is still not resolved, obtain a Complaint Form from the school office. Fill out the form and return it to the district office within 60 days of the act or event.
4. Your complaint will be investigated and the superintendent will contact you to discuss the complaint.
5. Once the superintendent has rendered a decision you still have the right to appeal the decision to the Board of Trustees if you do not agree with the decision.
6. The Board of Trustees will review your appeal and render a decision. The Board's decision is final.

DISASTER PROCEDURES

In the event that there is a situation that poses a safety hazard to our students, we will implement our emergency procedures. We will activate our automated phone system to inform parents of the situation and to provide information and directions. We understand that the safety of your child is of the utmost importance for both parents and staff. To ensure the safety of our students, we ask that you follow whatever directions we communicate to help keep the situation under control.

In case of other emergencies on campus, the school has a Comprehensive School Safety Plan that includes lockdown and evacuation procedures. Parents can review the Comprehensive School Safety Plan in the school office.

FIELD TRIPS

Educational field trips may be taken during the school day. Field trips enhance the learning and understanding of the classroom curriculum. Parents will be notified prior to the trip regarding where the students will be going, the times of departure and return, and the purpose of the trip. **All students are expected to ride the bus or school arranged transportation for field trips.** Students must be signed out with the teacher prior to riding home with a parent or guardian.

CHAPERONES

To be eligible, must follow volunteer policy (see page 29). Teachers determine whether or not chaperones are needed for field trips. Chaperones may be permitted to ride the school bus with the students only if seating is available. Chaperones shall commit to the full day of the field trip. Family members and friends of chaperones and students are not permitted to accompany the field trip.

FOOD AND DRINKS

- We encourage you to provide healthy snacks for your students to eat during morning recess.
- Candy, soda, and energy drinks can have a negative effect on the ability of students to focus. Parents are discouraged from sending their students to school with these products.
- Gum and sunflower seeds are not allowed on campus.

INDEPENDENT STUDY-SHORT TERM

The school is aware that at times special circumstances arise that may require a student to be absent from school for a short period of time. The Twain Harte School District Board of Trustees has approved an independent study policy. For a copy of the district policy please contact the district office.

The student may be granted an independent study agreement under the following provisions:

- The student will be absent for a minimum of 3 days and no more than 15 days of school.
- The student demonstrates the motivation, commitment, organizational skills, and academic skills necessary to work independently.
- The parent/guardian's level of commitment to assist the student may be considered when granting independent study requests.
- The independent study request paperwork is to be filled out and turned in at least 5 days in advance.

LIBRARY PROCEDURES

- The library is available once a week for each class.
- TK/Kindergarten, 1st/2nd and 3rd grade students are allowed to check out one book at a time, 4th grade students may check out 2 books at a time, and 5th-8th grade students are allowed to check out three books at a time.
- TK/Kindergarten through 2nd grade books are to remain at school. 3rd graders may take their books home with teacher approval, and 4th – 8th graders may take their books home.
- Books must be renewed or returned every week.
- No books can be checked out if a student has not returned their previous book.
- LOST OR DAMAGED BOOKS – If a book is not returned by its due date, students will be given 30 days from the time the book was due to return it. If the book is not returned after 30 days, the student will lose their library privileges, and a note will be sent home to parents notifying them of the lost book. The cost of the replacement book will be what is required of a library vendor that can offer a hardbound “like for like” quality replacement. If the book is returned, library privileges will be restored.
- All books must be returned and all book fees must be cleared by the end of the school year, in order for students to receive their report cards. **8th Grade students must have all fees cleared to participate in the graduation ceremony.**

LOST/DAMAGED TEXTBOOKS

The replacement cost for damaged or lost textbooks is the responsibility of the student/parent. Textbooks are checked out annually to students at the beginning of the year. A replacement fee for a lost or damaged textbook that is no longer usable will be the current cost of replacing the book. A fee will be charged for books that are in need of mending but do not need to be replaced. The school will determine the cost. Report cards, diplomas and privileges may be withheld until all fees are paid or books returned. If a book is found and is returned in usable condition before the onset of the next school year a full refund will be given.

LOST AND FOUND

Lost or unclaimed clothing and other articles are placed in the "Lost and Found", which is located near the office or in the mall at the Upper Building. The "Lost and Found" is generally emptied of unclaimed items twice a year (once during winter break and once shortly after school is out in June). Children should have their belongings labeled and accept responsibility for their things.

LUNCH AND BREAKFAST PROGRAMS

Breakfast and lunch will continue to be provided to all students free of charge as part of the federal government's response to the COVID-19 pandemic.

Breakfast is served daily beginning at 7:45am in the school cafeteria. Students may not arrive on campus before this time.

LUNCH/SNACK PROCEDURES

Students are to maintain proper etiquette and table manners in the cafeteria.

- Wait in line quietly.
- Eat in designated areas only.
- Remain seated and talk quietly.
- Do not share food with other students.
- Clean up your trash or mess and deposit in the appropriate receptacle.

MESSAGES FOR STUDENTS

After school care and plans with your children should be decided before they leave for school each day. Relaying messages to students are time consuming for the office staff and very disruptive to the classroom. Per our cell phone policy, student use of cell phones during the school day is not allowed. Please do not message your student on their phone during the school day.

PERSONAL ITEMS THAT ARE NOT ALLOWED AT SCHOOL

The use of coasting devices such as bikes, skateboards, scooters, shoes with wheels, etc. is prohibited on campus per Tuolumne County Ordinance 2217. Students must carry or walk their coasting device on campus at all times. Students who choose to violate this rule will not be allowed to bring their coasting device to school.

Students that choose to ride a bike, skateboard, scooter, etc. to school must store it appropriately. Bikes must be placed in one of the bike racks located on campus. All other coasting devices must be stored in the classroom, with teacher permission, for the duration of the day. Students must have driver permission to transport a coasting device on the bus. The district is not responsible for lost or damaged items brought to school by students.

Toys, laser pointers, cell phones or any other electronic device because of their value and tendency to interfere with the teaching/learning environments should not be brought to school. A staff member may confiscate non-dangerous prohibited items. These items will be sent to the office and can be retrieved by the student or parent, as per the principal's discretion. The school and/or school employees will not accept responsibility for any item lost or stolen during school hours.

POWER OUTAGES

In the event of a power outage during the school day, students will remain on campus until the normal dismissal time. Twain Harte School is equipped with generators to provide power and network access to our campus. If power is turned off due to a Public Safety Power Shutdown (PSPS) school WILL be in session. Students should dress appropriately for the weather as our heating and cooling systems do not operate on generator power. Please be advised that the cafeteria menu may change due to power outages.

SCHOOL SITE COUNCIL

Section 52022 of the Education Code requires that schools maintain a School Site Council. The Site Council is composed of an equal number of parents and staff members and is dedicated to the improvement of instruction. School plans developed by the Site Council are reviewed, evaluated, and approved by the Board of Trustees.

SNOW AND WEATHER DELAYS

The Superintendent will make the determination to delay or close school when the weather is bad. A one (1) or two (2) hour late start may be declared. Occasionally buses will arrive late for safety purposes. **If a late start or school cancellation is necessary, we will use the automated phone system to notify families as soon as the decision is made, usually by 6:30AM.** Local radio stations will broadcast public announcements about school delays or closures. Listen for updates on stations KKBN 93.5 FM, KVML 1450 AM and KZSQ 92.7 FM in the morning. Delays and closures are also listed online at www.mymotherlode.com. No radio announcement will be

given unless school is canceled or the buses will not run on time. The main concern when operating buses is always the children's safety. Ultimately, the parents make the final decision if they can get their children to school. We encourage parents to be safe when bringing their children to school on inclement weather days.

SNOW TRANSPORTATION DAYS

Some days when there is snow or adverse road conditions, a late start may not be required. However, because of the snow and safety concerns the regular bus schedule may be changed. Some stops for that day will be dropped from the morning and afternoon bus runs. Please refer to the snow transportation schedule available on our school website. Snow transportation days will be announced on the radio, called out on the automated phone system and posted on www.mymotherlode.com.

STATEWIDE TESTING NOTIFICATION

California students take several mandated statewide tests. These tests provide parents/guardians, teachers, and educators with information about how well students are learning and becoming college and career ready. The test results may be used for local, state, and federal accountability purposes.

The California Assessment of Student Performance and Progress (CAASPP):

The Smarter Balanced computer adaptive assessments are aligned with the Common Core State Standards. English language arts/literacy and mathematics tests are administered in grades three through eight.

California Science Tests (CAST)

The computer-based CAST measures students' achievement of the California Next Generation Science Standards (CA NGSS) through the application of their knowledge and skills of the Science and Engineering Practices, Disciplinary Core Ideas, and Crosscutting Concepts. The CAST is administered to all students in grades five and eight.

California Alternate Assessments (CAA)

Only eligible students—students whose individualized education program (IEP) identifies the use of alternate assessments—may participate in the administration of the CAAs. Test examiners administer the computer-based CAAs for ELA, mathematics, and science one-on-one to students. Students in grades three through eight and grade eleven will take the CAA for ELA and mathematics. Test items developed for ELA and mathematics are aligned with the CCSS and are based on the Core Content Connectors. Students in grades five and eight and once in high school (i.e., grade ten, eleven, or twelve) will take the CAA for Science. The CAA for Science embedded performance tasks are based on alternate achievement standards derived from the CA NGSS.

California Spanish Assessment (CSA) for Reading/Language Arts

The optional CSA for Reading/Language Arts in Spanish is aligned with the California Common Core State Standards en Español. This computer-based test allows students to demonstrate their Spanish skills in listening, reading, and writing mechanics.

Pursuant to California *Education Code* Section 60615, parents/guardians may annually submit to the school a written request to excuse their child from any or all of the CAASPP assessments.

English Language Proficiency Assessments for California (ELPAC)

The ELPAC is aligned with the 2012 California English Language Development Standards. It consists of two separate English Language Proficiency (ELP) assessments: one for the initial identification of students as English learners and the other for the annual summative assessment to identify students' English language proficiency level and to measure their progress in learning English.

Physical Fitness Test (PFT)

The physical fitness test for students in California schools is the FitnessGram®. The main goal of the test is to help students in starting lifelong habits of regular physical activity. Students in grades five, seven, and nine take the fitness test.
