Academics:

- Summer school is July 14-31, M-Th, there are approx. 24 students in 1st - 4th grade signed up to attend.
- Next year we will be prioritizing Math in all grades.
- The Career Exploration/Discovery Lab is well underway. The room will be set up June 26, Ms. Hill is scheduled for off-site training in July and we will have the Board tour the lab in August. The goal is to have our 7th and 8th grade students scheduled for lab time 2 times a week.

Staffing:

- All positions are currently filled.
- We are participating in the TCSOS Residency Program. We will have three interns on campus this year, those contracts will be on the August agenda.

Facilities:

- In July the Maintenance team will be addressing the cracks on the playground.
- Painting and floor/carpet cleaning will be ongoing over the summer.

Stormwater Project Update:

- Final plans have been reviewed. We are waiting for proof of DSA approval on the Volleyball pit elevations before any construction can begin.

Mascot:

- The Mi-Wuk Tribe has denied the use of the Braves mascot/logo. As a first step we are no longer using the Braves logo on any correspondences.
